A. Flex Written Examination

The Flex Examination, a three day examination, was adopted by the Board in December of 1971 and is the examination used by all states within the United States. It is also used by Puerto Rico, the District of Columbia and the Province of Saskatchewan.

The Flex Weighted Average of 75.0 is the passing score used by all states, including Minnesota. The Examination is given in June and December. The Flex examination is unique in that a Minnesota candidate living in Washington can take the examination there as a courtesy candidate and vice versa.

B. Flex Examination Other States

The Board has authorized the office to accept application on the basis of Flex examination taken in other states in lieu of taking our written examination or applying on the basis of reciprocity. Most of these applicants are Foreign Medical School Graduates.

C. Reciprocity

Minnesota has reciprocity with all other states having examination requirements equal to or greater than Minnesota's.

D. Endorsement of National Board of Medical Examiners

One normally becomes a Diplomate of the National Board of Medical Examiners by taking Day I, (Basic Science subjects), as a second year medical student, Day II (Clinical Science subjects), as a fourth year medical student and Day III, (Clinical Competence), as a first year resident. This is the basis on which most United States Graduates and

many Canadian Graduates are licensed in Minnesota.

E. Endorsement of National Board of Osteopathic Examiners

Since the Board of Osteopathy was merged with the Board of Medical Examiners in 1963, the only license the Doctor of Osteopathy can obtain in Minnesota is the license to practice medicine and surgery; the same license as issued to the Doctor of Medicine. They may apply on the basis of Reciprocity, Examination or the National Board of Osteopathic Examiners.

F. Endorsement of Medical Council of Canada

Minnesota Session Laws 1977, Chapter 7, authorized the Board to grant licenses to licentiates of the Medical Council of Canada.

2. Endorsement Certification to Other States

During the two-year period, July 1, 1980 - June 30, 1982, 307 Minnesota licentiates used their Minnesota license to obtain licensure by reciprocity in other states. In addition to the above endorsements, thousands of certifications are made to the Drug Enforcement Administration, Hospitals, Drug Companies and so forth.

3. Temporary Graduate Training Permits

During 1980 - 1982 16 Temporary Graduate Training Permits were issued.

4. Professional Corporations

During the two-year period, July 1, 1980 - June 30, 1982, 124 new corporations were formed, bringing 971 the number formed since the original law was passed in 1951.

5. Temporary License

A temporary license to practice medicine can be issued until the next Board meeting if all requirements for full licensure have been met. From July 1, 1980 to June 30, 1982 278 temporary licenses were issued.

Clause a: GENERAL STATEMENT OF BOARD ACTIVITIES

This description should cover both FY 81 and FY 82 and include any changes (additions/deletions) in activities between those years.

6. Student Loan Program

The 1969 and 1971 Sessions of the Legislature appropriated a \$150,000 Rural Scholarship Loan Fund to the Board. The entire amount was loaned to 43 candidates. Five are practicing in communities of 3,000 or less, 24 loans have been paid back, partial payments have been made on many of the others. One loan is being recovered through bankruptcy and one has been sent to the Attorney General for collection. As of July 1, 1982, 19 loans including these two remain outstanding.
