This description should cover both FY 91 and FY 92 and include any changes (additions/deletions) in activities between those years.

The Board of Barbers Examiners was created to protect the public's health, safety and welfare, provide the public with the highest quality of barbering services and to regulate the barber industry through the continued review, amendment, adoption and enforcement of Rules and Statutes. This is accomplished through the inspection and licensing of barber shops and schools; and through the examining and licensing of instructors, apprentices and registered barbers. Under the direction of four (4) Board members, appointed by the Governor, the staff performs the daily operational duties including: inspections, record maintenance, communications, composing and validating the school curriculums and the various levels of examinations and preparing guidelines for apprenticeship program. The Board has all licensing records on a personal computer system and all licenses are issued by that system. The Board holds licensing examinations quarterly, with two additional exams if applicants warrant. All complaints received are processed in accordance with MSA 214.10, appointing a designee to the Complaint Committee to assist in processing and resolving all complaints expediently and economically.

Clause f: BRIEF SUMMARY OF BOARD RULES PROPOSED OR ADOPTED DURING THIS REPORTING PERIOD, FY 91 AND FY 92. GIVE APPROPRIATE CITATIONS TO THE STATE REGISTER AND PUBLISHED RULES FOR THOSE ADOPTED.

The Board did not propose or adopt any Rules during this reporting period. However, legislation was introduced and passed to change the Statutes (Chapter 154). This legislation was primarily housekeeping in nature, correcting ambiguous language and omitting texts and references which were obsolete. The legislation also changed the amount of the bond from \$1,000.00 to \$25,000.00 which the barber schools are required to file with the Secretary of State in case of fraud, misrepresentation or deceit.

Clause p: STATE ANY OTHER OBJECTIVE INFORMATION WHICH THE BOARD MEMBERS BELIEVE WILL BE USEFUL IN REVIEWING BOARD ACTIVITIES:

(For Example: In what other states do your licensees hold licenses? Number of Minnesota licenses verified/certified to other states? Number of inspections? Comparisons with past Biennial Reports?)

Records are not maintained on what other states Minnesota licensees might hold licenses in. We do not have reciprocity with any state, but we do certify license status by way of sending licensing histories upon request to individuals or states. These histories average about 35 per year.

FY 88-89 there were 1,395 inspections and 199 violations.

FY 89-90 there were 1,171 inspections and 188 violations.

FY 88-89 there were 9 school inspections compared to 12 this reporting period.
