St. Marys School of Practical Nursing, Rochester, MN voluntarily closed as of June 30, 1994.

During each fiscal year, 1993 and 1994, each program indicated compliance with all applicable rules.

Programs are surveyed for continued compliance with applicable Minnesota Rules at least once every ten years. During FY93, two professional nursing programs were surveyed. Each was granted renewal of approval. Three practical nursing programs were also surveyed. Two received renewal of approval and one received renewal of approval with the recommendation for a partial survey during FY94 to monitor compliance with specified rules.

During FY94, one professional nursing program was surveyed and received renewal of approval. Three practical nursing programs were surveyed; each was granted renewal of approval. The partial survey of the practical nursing program was conducted; the program was found to be in compliance with the specified rules.

NURSING BOARD

Item q: A summary of each individual case (complaint or other communication) that involved possible sexual contact of a licensee with a patient or client as required by Minn. Stat. section 214.10 subd. 8 (b). All cases received prior to July 1, 1992, but disposed of in FY 93 and FY 94, as well as cases received prior to June 30, 1994, but not yet disposed of are included.

Each summary includes:

- 1) a description of the alleged misconduct;
- 2) the general results of the investigation;
- 3) the nature of board activities relating to that case;
- 4) the disposition of the case; and
- 5) the reasons for board decisions concerning the disposition of the case.

1. Pending from Previous Fiscal Year

- a. Allegations: A female licensed practical nurse began a personal relationship with a male nursing home patient who left the facility against medical advice to live with the nurse.
- b. Investigation substantiated the personal relationship. The nurse denied any sexual relationship or inappropriate conduct with the former patient.
- c. Board activities: Investigation; Board Review Panel; Review of written materials.
- d. Disposition: Written warning to the nurse. Advised that the nurse has the responsibility to maintain appropriate boundaries in a nurse/patient relationship. If another report of similar nature is received, the matter will be re-evaluated.
- e. Reason for Disposition: Nurse denied sexual conduct and there were no subsequent complaints.

2. Pending from Previous Fiscal Year

- a. Allegations: A female registered nurse began a personal relationship with a female patient hospitalized for chemical dependency treatment which continued after the patient's discharge and included sexual contact.
- b. Investigation substantiated the allegation.
- c. Board activities: Investigation; Board Review Panel.
- d. Disposition: Stipulation and Consent Order for a Limited and Conditional License.
- e. Reason for Disposition: Nature and seriousness of allegations, limited understanding of appropriate professional boundaries and necessity of therapy and monitoring.

NURSING BOARD

Item q: (continued)

3. Pending from previous Fiscal Year
  - a. Allegations: A female candidate for licensed practical nurse licensure by examination had a social relationship including sexual contact with a male quadraplegic resident from an extended care facility.
