LEGISLATIVE REPORT

MINNESOTA BOARD OF PARDONS

INTRODUCTION

Pursuant to Minn. Stat. §638.075 (1994), the Board of Pardons is required to file a written report with the legislature summarizing actions it took during the previous year.

The Minnesota Board of Pardons is made up of the Governor, the Chief Justice of the Supreme Court and the Attorney General. The board is authorized to grant the following types of extraordinary relief to persons who have been convicted of crimes:

- pardon – an act of forgiveness which exempts the convicted person from the punishment imposed by the law.
- commutation – the substitution of a lesser type of punishment for the original sentence.
- pardon extraordinary – statutorily created relief granted after the applicant has served the sentence. When a pardon extraordinary is granted, the court issues an order to set aside the conviction and the person to whom the pardon extraordinary is granted is no longer required to report the conviction.

1994 DATA

This report indicates the number of applications received during the preceding calendar year for pardons, commutations and pardons extraordinary; the number of applications granted by the board for each category; and the crimes for which the applications were granted by the board, the year of each conviction, and the age of the offender at the time of the offense. The tables below provide the information required by statute.

The number of applications returned because of ineligibility remains low because of the fact that eligibility requirements are clear and potential applicants are carefully screened by staff. Applications for pardons and commutations have recently been screened more thoroughly to ensure that all judicial remedies have been exhausted. In 1994, we sent out 166 pardon extraordinary applications and 40 pardon/commutation applications.
