Clause a: GENERAL STATEMENT OF BOARD ACTIVITIES

STATE OFFICE BUILDING

This description should cover both FY 95 and FY 96 and include any changes (additions/deletions) in activities between those years.

The Board of Boxing provides uniformity in the regulation of boxing through the preparation, amendment and adoption of rules and regulations governing the conduct of boxing. The Boxing Board is a regulatory board, it does not promote,

The Board, consisting of 7 members appointed by the Governor, enforces the regulations governing boxing and assists at all professional bouts with weigh-ins and dressing room surveillance. It licenses all promoters, managers, referees, seconds and professional boxers to provide for the safety of the participants in the ring and to assure the fans of properly staged shows. This sport, in Minnesota as elsewhere, subscribes to the World Boxing Association regulations, and, on a professional level, requires cooperation on a national scale through the various state commissions. The Board members are commissioners.

The Board encourages the organization of amateur boxing programs throughout the state. There are 800 to 1000 amateur boxers active in the state of Minnesota. They range in age from ten to thirty six. The amateurs are not licensed. The legislators considered amateur boxing as a civic and community function, similar to high school athletics such as football, baseball, basketball, etc.

There are no exams given, but clinics are held at licensed locations by licensed coaches throughout the state.

Full Contact Karate is a dangerous sport, because the opponents are allowed to knock each other unconscious by "Kicking" also besides hitting.

Kick Karate is under close supervision of the Boxing Board and has almost become extinct due to the safety precautions the Board makes them follow. The State of Minnesota is known nationally as a state that is fully supervised and regulated.

Safety is number one in the State of Minnesota at all ages. Amateur Boxing, Professional Boxing and Kick Boxing.

The professional boxers must sign an affidavit stating how many bouts they have had, that they have been active, and are physically fit to receive a license on the night of the boxing show after passing a physical. They are examined and weighed in before the show and pay the fee of \$5.00 either to renew their previous license or receive a new one. The professional boxers from out of state may not fight in Minnesota until they have been checked out with their home state commission, and a computer system out of New Jersey by the executive secretary. Then the decision is made by him and the chairman, and another commissioner, that he is qualified to fight.

There are over 40 gyms in Minnesota operating under licensed coaches at no cost to the taxpayer, helping get kids off the streets, offering them a way up and a way out.

There were 75 amateur boxing shows, and 13 professional shows during this fiscal year. Some professional shows were held at Indian casinos where the board has no jurisdiction.
