Minnesota Department of Human Rights

July 6, 1998

The Honorable Jane Ranum
Chair, Senate Judiciary Committee
306 Capitol
75 Constitution Avenue
St. Paul, MN 55111

Dear Senator Ranum:

We have completed 18 months under the legislative directive to report semi-annually on the activities of the Minnesota Department of Human Rights (MDHR). I'm pleased to report we not only have met the legislature's mandate to improve the timeliness of case processing, we have exceeded it. During the past year and one half our base budget was increased by \$300,000, allowing us to hire and train additional investigators and expand our alternative dispute resolution project. As a direct result, our caseloads have decreased to an average of 18 per investigator, and 99% of our cases are completed within the one-year goal set out in statute and reinforced by the Minnesota Supreme Court. I am very pleased with the initiative and cooperation shown by MDHR staff in attaining this goal and meeting both legislative and public expectations. The increase in staff provided by the increased budget and subsequent legislation in 1997 and 1998 has enabled us to move two additional compliance officers to MDHR's contract compliance unit. This unit will begin the important work of monitoring companies doing business with the state of Minnesota.

During the six months from January 1, 1998 to June 30, 1998, the Department closed 762 cases. On July 1, of the 863 cases needing agency determination, only three were older than 12 months (.3%). One of these cases is settled, but the attorney has not yet sent the closing documents. The other two cases, against the same Respondent, were substantially delayed by Respondent's refusal to submit answers to the charges. However, a judge recently issued an order in our favor on this matter, and these cases are projected to have a determination by October 1998.

The Department is monitoring case status on a regular basis to assure that cases are handled in a timely manner. Every effort is being made to have a determination made in 12 months for all cases. The average time from filing to a determination of no probable cause is 328 days; from filing to determination of probable cause is 340 days. During this six-month period, 47 cases were referred to ADR.

AN EQUAL OPPORTUNITY EMPLOYER

As a result of MDHR's improved efficiency, we arranged to take 50 cases from the Minneapolis EEOC as of July 1, 1998. This will assist the EEOC in reducing its large caseloads as well as provide prompter service to these citizens of Minnesota who initially filed their charges federally. The Regional Director of EEOC publicly acknowledged the excellent quality of our work and the improvements in the MDHR.

Attached you will find summary information on MDHR's activity during the past six months. If you need further information, please contact me or Janeen Rosas, Deputy Commissioner at 296-5679. I appreciate your sincere interest in the work of MDHR and your financial and policy support of the agency's important work. I strongly recommend that you require this semi-annual reporting of the incoming commissioner as well.

Sincerely,

Dolores H. Fridge
Commissioner
