Re: Biennial Budget Detail Information, Contract Reporting

Pursuant to M.S. 16A.11, Subdivision 3b., the following
information is presented on contracts, see attachments.

It should be noted that several agencies have not reported on the
number of professional or technical consultants for the current
biennium. Agencies indicated this information for the most part
is not available and at best may be a guess when entered on the
report. It appears this recently revised statutory language is
unworkable for the most part.
