Chair Victoria Reinhardt
Ramsey County Board of Commissioners
220 Court House
15 West Kellogg Blvd.
St. Paul, MN 55102

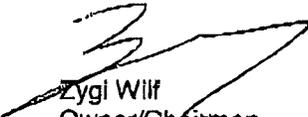

Dear Chair Reinhardt and Ramsey County Board of Commissioners:

Thank you for being a part of our on-going discussions regarding a potential partnership with the Minnesota Vikings in the redevelopment of the former Twin Cities Army Ammunition Plant (TCAAP) property in the City of Arden Hills. We recognize and appreciate the County's interest in redeveloping the site in the Northwest corner of Ramsey County for the benefit of the County, its residents and the surrounding businesses. The Vikings strongly believe that this location could make an excellent site for a new publicly-owned, multi-purpose stadium. The Vikings also agree that this project would provide an opportunity to create thousands of jobs and significant economic activity in Ramsey County and the surrounding area.

Through this letter, we want to communicate our intent to work collaboratively and closely with Ramsey County, the City of Arden Hills and other stakeholders to determine if an agreement can be reached that leads to a new stadium at the TCAAP site. While both parties understand that this is not an exclusive agreement, it is an extremely important next step in this joint effort. We look forward to enhancing our conversations and working in partnership to complete the due diligence and further analysis required to determine the viability of a stadium project in Arden Hills.

We appreciate the time and energy of the Ramsey County Board of Commissioners and the Ramsey County staff and are grateful for the strong relationships we have developed.

Sincerely,

Zygi Wilf
