- I. Call to Order

- IV. Adjournment

1 A joint resolution

2 relating to redistricting; establishing districting
3 principles for legislative and congressional plans.

4

5 BE IT RESOLVED, by the Legislature of the State of
6 Minnesota that a plan for redistricting seats in the Legislature
7 or the United States House of Representatives must adhere to the
8 following principles:

9 (1) [NUMBER OF DISTRICTS.] (a) The Senate must be composed
10 of 67 members. The House of Representatives must be composed of
11 134 members. Each district is entitled to elect a single member.

12 (b) A plan for congressional districts must have eight
13 districts, each entitled to elect a single member.

14 (2) [NESTING.] A representative district may not be divided
15 in the formation of a Senate district.

16 (3) [EQUAL POPULATION.] (a) Legislative districts must be
17 substantially equal in population. The population of a
18 legislative district must not deviate from the ideal by more
19 than two percent, plus or minus.

20 (b) Congressional districts must be as nearly equal in
21 population as practicable.

22 (4) [CONTIGUITY; COMPACTNESS.] The districts must be
23 composed of convenient contiguous territory. To the extent
24 consistent with the other principles in this resolution,
25 districts should be compact. Contiguity by water is sufficient
26 if the water is not a serious obstacle to travel within the
27 district.

28 (5) [NUMBERING.] (a) The legislative districts must be
29 numbered in a regular series, beginning with House district 1A
30 in the northwest corner of the state and proceeding across the
31 state from west to east, north to south, but bypassing the
32 seven-county metropolitan area until the southeast corner has
33 been reached; then to the seven-county metropolitan area outside
34 the cities of Minneapolis and St. Paul; then in Minneapolis and
35 St. Paul.

36 (b) The congressional district numbers must begin with

1 district one in the southeast corner of the state and end with
2 district eight in the northeast corner of the state.

3 (6) [MINORITY REPRESENTATION.] The districts must not
4 dilute the voting strength of racial or language minority
5 populations. Where a concentration of a racial or language
6 minority makes it possible, the districts must increase the
7 probability that members of the minority will be elected.

8 (7) [PRESERVING POLITICAL SUBDIVISIONS.] A county, city, or
9 town must not be divided into more than one district except as
10 necessary to meet equal population requirements or to form
11 districts that are composed of convenient contiguous territory.

12 (8) [COMMUNITIES OF INTEREST.] The districts should attempt
13 to preserve communities of interest where that can be done in
14 compliance with the preceding principles. For purposes of this
15 principle, "communities of interest" include, but are not
16 limited to, political subdivisions, neighborhoods, or other
17 geographic areas where there are clearly recognizable
18 similarities of social, political, cultural, ethnic, or economic
19 interests.

20 (9) [POLITICAL COMPETITIVENESS.] The districts should be
21 politically competitive, where that can be done in compliance
22 with the preceding principles. The districts must not be
23 created to unduly favor any political party.

24 (10) [INCUMBENTS.] The districts must not be drawn for the
25 purpose of protecting or defeating an incumbent.

26 (11) [DATA TO BE USED.] The geographic areas and population
27 counts used in maps, tables, and legal descriptions of the
28 districts must be those used by the Geographic Information
29 Systems Office of the Legislative Coordinating Commission. The
30 population counts will be the block population counts provided
31 under Public Law Number 94-171, subject to correction of any
32 errors acknowledged by the United States Census Bureau.

33 (12) [DATA READY; PLANS POSTED.] The director of Geographic
34 Information Systems shall notify the President of the Senate and
35 the Speaker of the House of Representatives when the necessary
36 census data has been received from the United States Census

4 "(5) [NUMBERING.] (a) The legislative districts must be
5 numbered in a regular series, beginning with Senate district one
6 in the capital city of the state and proceeding from east to
7 west, north to south, throughout the cities of Minneapolis and
8 St. Paul, then east to west, north to south, throughout the
9 remainder of the 11-county metropolitan area, then throughout
10 the remainder of the state beginning in the northeast corner of
11 the state and proceeding from east to west, north to south, to
12 the southwest corner of the state. Senate districts must then
13 be divided in half to form the House districts, which must be
14 numbered A and B of the Senate district.

15 (b) The congressional district numbers must begin with
16 district one in the capital city of the state and proceed east
17 to west, north to south, throughout the cities of Minneapolis
18 and St. Paul, then throughout the remainder of the 11-county
19 metropolitan area, then throughout the remainder of the state,

1 Bureau, loaded into the Legislature's computerized redistricting
2 system, and verified as ready for use in redistricting. A
3 redistricting plan must not be considered for adoption by the
4 Senate or House of Representatives until:

5 (a) the notice has been given;

7 each census block has been assigned, in a form prescribed by the
8 director of Geographic Information Systems, has been filed with
9 the director; and

10 (c) a copy of the plan has been posted on the Web site of
11 the Geographic Information Systems Office.

1 Senator moves to amend the committee engrossment
2 (SS1326CE1) of S.F. No. 1326 as follows:

3 Page 2, delete lines 3 to 7, and insert:

4 "(6) [MINORITY REPRESENTATION.] (a) The dilution of racial
5 or ethnic minority voting strength is contrary to the laws of
6 the United States, the state of Minnesota, and public policy.
7 The principles in this resolution must not be construed to
8 supersede any provision of the Voting Rights Act of 1965, as
9 amended.

10 (b) A proposed redistricting plan must not have the intent
11 or effect of dispersing or concentrating minority population in
12 a manner that prevents minority communities from electing their
13 candidates of choice."
